MOTION FOR WITHDRAWAL

The Plaintiff, William Sandlin McLaurine, II, MOVES to WITHDRAW the COMPLAINT and all amendments as filed in this case against all defendants named or unnamed in this case. After a careful review of the law and the facts of this case, Plaintiff cannot, now and in good faith, sustain a credible case in this matter due to the deficiencies in the following separate and several items: resources, evidence, fact, law and/or jurisdiction. This MOTION FOR WITHDRAWAL should not be construed to be an acceptance of any presumption in this case not specifically listed in this MOTION FOR WITHDRAWAL. This MOTION FOR WITHDRAWAL should not be construed to be an acceptance of any presumption and/or other prejudice in any other matter.

The Plaintiff does assert that any statutory limitation on the jurisdiction of this court with respect to the time limit between acts defined by the COMPLAINT and the actual filing of the COMPLAINT will be the compoundment of the time elapsed before the COMPLAINT was recognized by this court and the time after this court recognizes this MOTION FOR WITHDRAWAL.

The plaintiff reserves all rights not explicitly defined in this MOTION FOR WITHDRAWAL without prejudice.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
